A Special Message to You:

JCPenney and America have grown up together.

Through the generations, JCPenney has always been committed to you and the needs of your family.

It's simple: What matters to you matters to us.

Style Matters – We're stepping up our style, while still bringing you the quality and value that have defined us since the beginning.

Price Matters – We are very aware of the pressures facing not only our many loyal customers, but also those who are looking for a smarter place to shop – without compromising their sense of style.

People Matter – We know how important it is to get friendly, knowledgeable help when you need it. Our associates take a great deal of pride in helping you find exactly what you're looking for. We don't want to just meet your expectations, we want to exceed them every time.

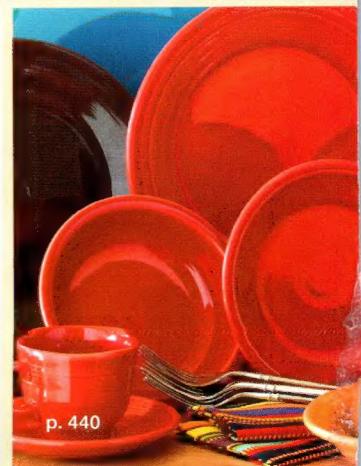

After serving America for more than a century, these qualities have set JCPenney apart from other retailers and created a great bond of trust with our customers. This rich legacy continues to guide us as we move into the future.

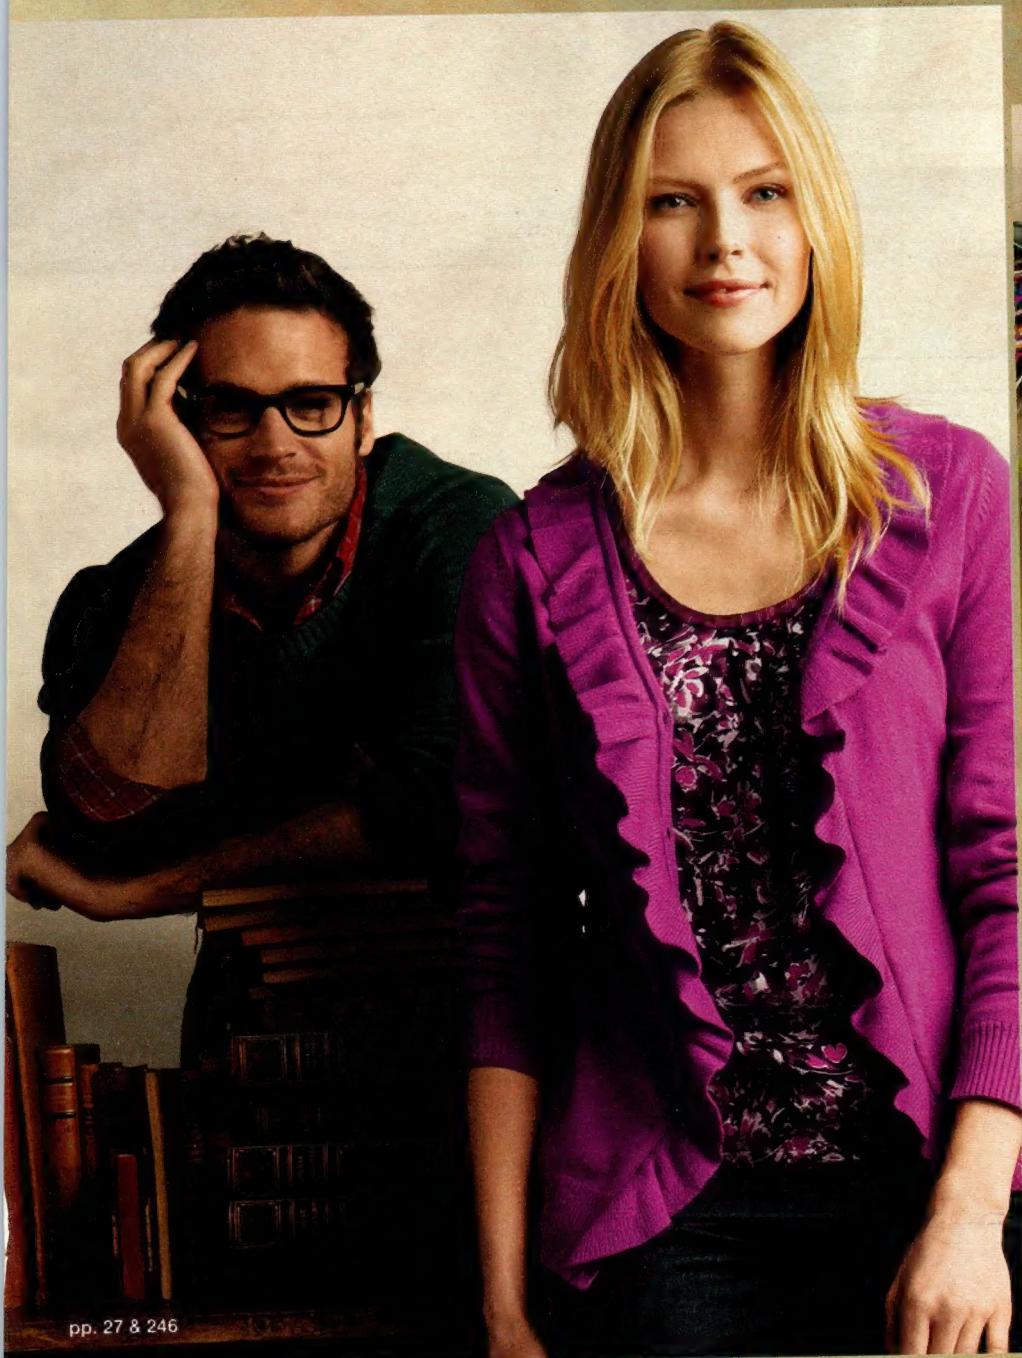

To our many customers who have grown up with us, I'd like to say, "Thank you." And to those who are shopping with us for the first time, I hope you enjoy the style and great prices that are such an important part of our heritage. Welcome to our store.

Sincerely,

Myron E. (Mike) Ullman, III
